

REMARKS

The above listing of the claims replaces all prior versions, and listings, of claims in the application.

Reexamination and reconsideration in light of the following remarks are respectfully requested.

Claims 1-48 were previously cancelled.

No claims have been amended.

Claims 49-56 are pending.

Claims 49-50 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claim 1 of US Patent No. 6,644,797 in view of US Patent No. 6,524,479. Claims 51-56 were objected to as being dependent from a rejected base claim.

A terminal disclaimer is submitted herewith, which renders the obviousness-type double patenting rejection moot. Thus, pending claims 49-56 are in condition for allowance.

Respectfully submitted,

Date: 7/18/2005
